

## ROAD CLOSURE INFORMATION

- 1- **Construction on Allen Road** will begin on Thursday, October 13, 2015 for drainage improvements, road base repairs, and resurfacing of the pavement. Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting on Allen Road will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
- 2- **Construction on Hillcrest Road** between Emerald Trail and Amur Road will begin on Friday, October 9, 2015 for Handicap ramp improvements, road base repairs, and resurfacing of the pavement. Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting on Hillcrest Road will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
- 3- **Construction on Mount Vernon Road** will begin on Monday, September 28, 2015 for Handicap ramp improvements, road base repairs, and resurfacing of the pavement. Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting on Mount Vernon Road will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
- 4- **Construction on Steele Gap Road** between Twin Oaks Road and just north of Jaguar Lane will begin on Thursday, October 8, 2015 for drainage improvements, road base repairs, and resurfacing of the pavement. Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting on Steele Gap Road will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
- 5- **Construction for the next phase of the Peter's Brook Drainage Improvement Project** will commence on Thursday October 1. The Detention Basin located on Brian Drive will be improved and disruption to residents will be limited.
- 6- **Construction on Ascot Road** will begin on Monday, October 12, 2015 for drainage improvements, road base repairs, and resurfacing of the pavement. Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting on **Ascot** Road will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
